

H O U S E R U L E S

Every guest who comes and goes,
is he little, is he tall,
should be happy in our house,
this is our wish for all.

But please keep in mind,
put in order what you find.
Then you will be happy here,
with us and all the guests my dear.

After 10 at night start to be quiet,
perhaps your neighbour is asleep,
at midday between 12 and 2
do not shout and do not weep.

Breakfast will be served to you
between 8 and 10,
would you like to have it earlier,
please, let us know, no problem!

One of our major rules,
do not take all in your rooms.
Skishoes, boots and sports equipment
have their own specific place.

In the morning let us in,
we will start our cleaning.
Airy and tidy you will see
shiny and cosy will everything be.

Let us collect the laundry,
let us do it in our ways,
we change the linen after a week,
the towels after three days.

We separate rubbish;
our bins are waiting,
for cans, for plastic and for paper,
for biodegradable and residual waste.

Dishes and glasses we have them, too,
ask and we will give them to you.
If you want to cool your food,
downstairs is the fridge to make it good.

If for you it is too heavy,
from the village drinks to carry,
in our cellar, yes my dear,
We have juice, wine and beer.
